Re: HR 22 – SUPPORT

Dear Assemblyman Gallagher:

On behalf of the Sutter County Board of Supervisors, I am writing to express our strong support for your House Resolution 22, that condemns reckless comments made by a University of California, Davis professor that advocated violence and the killing of peace officers.

The Board of Supervisors agrees the comments were abhorrent, unacceptable and an affront to peace officers that diligently serve communities across the United States of America.

As you know from your experience as a past member of the Sutter County Board of Supervisors, Sutter County greatly respects the sacrifices made by peace officers. These men and women risk their lives daily to serve the citizens of our nation. It is unconscionable that any citizen, especially a professor in the University of California system, would advocate for violence against our civil servants and those who serve throughout the country.

The Sutter County Board of Supervisors greatly appreciates your leadership on this issue.

Sincerely,

Mat Conant
Chairman, Sutter County Board of Supervisors
